

**West Virginia University Office of Interprofessional Education (IPE)**

**In Collaboration with WVU Libraries**

**Awards for Excellence in Interprofessional Education**

Award Categories:

- ***Student Award for Excellence in Interprofessional Education***
- ***Faculty/ Staff Award for Excellence in Interprofessional Education***

Award:

One student award and one faculty/ staff award will be given annually. The award winners will have their IPE work showcased at the HSC Library.

Purpose:

To honor students, faculty, and staff who have shown a commitment to interprofessional education through their service, teaching, and scholarly work and to highlight their achievements as part of IPE Month activities at the WVU Health Sciences Center and through an exhibit at the WVU HSC Library.

Eligibility:

All students, faculty, and staff at WVU who participate in IPE activities at the Health Sciences Center and/or complete health-related IPE initiatives/ courses are eligible for the award. Self- nominations will be accepted. Nominations can be for an individual student, a team of students, an individual faculty/ staff member, or a faculty/ staff team.

Nomination Criteria:

**Student Award**

- Demonstrate a commitment to IPE through participation in or development of IPE didactic, simulation, and/ or clinical practice activities.
- Demonstrate excellence in IPE through community outreach or scholarly activities highlighting IPE efforts.
- Serve as a student leader in IPE efforts and promotion of IPE throughout the HSC.
